# MERIDIAN

Beauty Tools Manufacturing

## Private label line card

Qingdao Meridian Beauty Tools Co., Ltd. · Qingdao, China

MOQ 500 pcs · Sample 12 days · ISO 9001 · BSCI

Beauty tool factory in Qingdao. Private label makeup brushes, blending sponges, silicone tools and lash curlers for brands and distributors.

Every item below is a standard build. Filament, ferrule finish, mould, colour, packing and logo are re-specified per order — this document is the starting point for a quote, not a fixed price list.

Issued 2026-11-14. Specifications indicative; final values confirmed on the approved sample sheet.

# Vegan Blending Sponge

Non-latex hydrophilic foam, cut to three shapes for wet and dry application.

| | |
|---|---|
| **MOQ** | 2000 pcs |
| **LEAD TIME** | 18-22 days after sample approval |
| **MATERIAL** | Non-latex hydrophilic polyurethane foam, vegan certified |
| **SIZE** | Teardrop 40 x 62 mm; round 45 mm; flat-cut 38 x 58 mm |
| **PACKING** | 1 pc per blister or 2 pcs per box, 500 pcs per carton |
| **COMPLIANCE** | Vegan certified, REACH, FDA-compliant foam |

A latex-free sponge that expands to roughly 1.6x when soaked and returns to shape after squeezing. Pore size is controlled to 0.9-1.2 mm so it holds water without absorbing excess foundation. Cut edges are heat-sealed to reduce dusting.

- Latex-free, vegan certified foam
- Expands 1.6x wet, recovers after squeeze
- Pore size 0.9-1.2 mm, controlled absorption
- Three cut shapes: teardrop, round, flat
- Heat-sealed edges to reduce dusting
- Custom colour matching from Pantone

# 12-Piece Professional Brush Set

Powder, blush, eyes and liner in one private-label set with a matched ferrule finish.

| | |
|---|---|
| **MOQ** | 500 sets |
| **LEAD TIME** | 25-30 days after sample approval |
| **MATERIAL** | Synthetic filaments (PBT / Toray options), aluminium ferrule, matte lacquered wood handle |
| **SIZE** | Handle 14.5-17.5 cm; brush head 1.2-3.6 cm; set weight 285 g |
| **PACKING** | 12 pcs per PU zip pouch, 40 sets per export carton |
| **COMPLIANCE** | ISO 9001, BSCI, REACH |

A twelve-piece set covering face and eye application. Filament blend, ferrule colour and handle finish are all specified per brand: soft-to-medium firmness for powder, denser packing for buffing, fine-tipped for liner. Each brush is hand-shaped, combed and tested for shedding before packing.

- Hand-shaped and combed brush heads
- Custom filament blend: PBT, Toray or mixed
- Ferrule in copper, matte black, rose gold or custom Pantone
- Handle in matte lacquer, wood grain or soft-touch
- Shedding tested per unit on a 10-stroke rig
- Private label printing on pouch and carton

# Bamboo Kabuki Brush

Bamboo handle, copper ferrule and a 58 mm dome for powder and bronzer.

| | |
|---|---|
| **MOQ** | 800 pcs |
| **LEAD TIME** | 22-26 days after sample approval |
| **MATERIAL** | Bamboo handle (FSC option), copper-plated ferrule, synthetic filaments |
| **SIZE** | Total 168 mm; head 58 mm dome; weight 62 g |
| **PACKING** | 1 pc per paper sleeve, 300 pcs per carton |
| **COMPLIANCE** | FSC bamboo option, ISO 9001, REACH |

A large kabuki for loose powder and bronzer, with a 58 mm dome that keeps the tips soft while the base stays dense enough to load product evenly. Bamboo is kiln-dried to 8-10% moisture so the handle does not split in dry retail environments.

- Kiln-dried bamboo at 8-10% moisture
- 58 mm dome, dense base and soft tips
- Copper-plated ferrule with anti-tarnish coat
- FSC-certified bamboo available
- Paper sleeve or none, plastic-free option
- Logo burned or printed on handle

# Precision Lash Curler

304 stainless steel frame with a 12 mm curved pad and a spring rated for 50k cycles.

| | |
|---|---|
| **MOQ** | 1000 pcs |
| **LEAD TIME** | 20-25 days after sample approval |
| **MATERIAL** | 304 stainless steel frame, silicone pad |
| **SIZE** | Frame 105 mm; jaw opening 26 mm; pad 12 mm radius |
| **PACKING** | 1 pc per box with silicone refill, 200 pcs per carton |
| **COMPLIANCE** | ISO 9001, REACH, RoHS |

A lash curler built on a 304 stainless frame with a lapped hinge, so the jaw closes square instead of skewing over time. The silicone pad is replaceable and ships with one refill. Spring is cycle-tested to 50,000 compressions before assembly approval.

- 304 stainless steel, lapped hinge closes square
- Replaceable silicone pad, one refill included
- Spring tested to 50,000 cycles
- Even jaw pressure across the 12 mm radius
- Matte, mirror or rose-gold finish
- Custom logo laser marking

# Glass Nail File & Cuticle Kit

Tempered glass file and stainless cuticle tools, packed as a gift-ready three-piece kit.

| | |
|---|---|
| **MOQ** | 1000 sets |
| **LEAD TIME** | 22-28 days after sample approval |
| **MATERIAL** | Tempered float glass file, 420 stainless steel tools |
| **SIZE** | File 140 x 12 x 4 mm; cuticle pusher 128 mm; nipper 95 mm |
| **PACKING** | 1 set per EVA case or tin box, 100 sets per carton |
| **COMPLIANCE** | ISO 9001, REACH, LFGB (file) |

A three-piece kit: a tempered glass file with a etched grit surface that does not wear flat, a stainless cuticle pusher with a spooned edge, and a nipper with a 3 mm jaw. Packed in EVA or tin, both of which can be debossed with the brand mark.

- Tempered glass file, etched grit that holds its cut
- 420 stainless tools, passivated and polished
- Nipper jaw ground to 3 mm with even closure
- EVA case or tin box, debossable
- Gift-ready retail packing
- Custom kit composition on request

# Silicone Facial Cleansing Brush

Food-grade silicone with a 1.4 mm touch field, built for daily cleansing routines.

| | |
|---|---|
| **MOQ** | 1000 pcs |
| **LEAD TIME** | 20-25 days after sample approval |
| **MATERIAL** | Food-grade silicone (LFGB / FDA), ABS core |
| **SIZE** | Body 78 x 52 x 28 mm; touch field 42 mm; 640 touch points per head |
| **PACKING** | 1 pc per PET box, 200 pcs per carton |
| **COMPLIANCE** | LFGB, FDA, REACH |

A manual cleansing brush with a dense silicone touch field on one side and a coarser massage ridge on the other. The silicone is moulded in one piece with no seam at the touch field, which keeps bacteria from collecting at a joint. Suitable for retail, gift-with-purchase and subscription boxes.

- One-piece moulded head, no seam at the touch field
- Dual side: fine cleanse and coarse massage
- LFGB and FDA food-grade silicone
- Suction base available for countertop use
- Custom Pantone colour and logo debossing
- Retail-ready PET box or subscription insert

WHAT WE SEND BEFORE YOU COMMIT

— Business licence with the same legal name as this document.
— Current BSCI social audit and ISO 9001:2015 certificate for this site.
— FDA and REACH/RoHS declarations for the materials in your order.
— A physical sample with the specification signed — the reference for every later batch.

## Send a drawing. Get a costed sample in 12 days.

Tell us the product, the target cost and the market.
